“ ZANE’s work in Zimbabwe provides an essential lifeline of support for those who cannot help themselves. It is a wonderful charity and the money goes where it’s needed.

Lord Hastings of Scarisbrick CBE

Chairman, ZANE Council of Reference
Vice-President of Unicef

“ ZANE is a brilliant charity working in the failed state of Zimbabwe, caring for the old and lonely, providing medical treatment and supporting communities. You can choose where your money goes.

Dame Prue Leith DBE DL

Cookery writer and restaurateur

“ I have known ZANE for many years. ZANE does great work in Zimbabwe looking after pensioners, veterans and the vulnerable. Please give ZANE your full support.

Andy Flower OBE

Former Captain Zimbabwe National Cricket Team & England team coach

Nine reasons to support ZANE

1. We provide aid, comfort and support to 2,100 impoverished pensioners with nowhere else to turn. Only those genuinely in need of assistance receive it.
2. We invite you to choose which area of ZANE’s work you wish to support.
3. We were the Telegraph Group Overseas Charity of the year.
4. We look after around 500 aged and frail veterans and their widows. These people fought for the Crown in WW2, Malaya, Korea and Aden. Without ZANE, they would be living with insufficient food and no healthcare.
5. We organise education programmes in a high-density area assisting women and children living in extreme poverty.
6. We set up the first clubfoot correction programme in Zimbabwe. Fifteen treatment centres have been established and over 5,900 children have received treatment to date.
7. We run a unique medical programme, providing basic medication to pensioners (including war veterans and their widows) for the treatment of conditions such as hypertension, diabetes and prostate issues.
8. We ensure your donations are subject to rigorous audit and ZANE is proud that since its foundation it has never lost money to collapsed banks, middlemen or corruption.
9. We asked an independent consultancy to review ZANE and the report stated:

“The charity thrives on its responsiveness, flexibility and lack of bureaucracy. Operationally, ZANE is frugal, focused and effective in delivering aid to the needy.”
